Dressage is a horse/rider combination award, while all others are based solely on the horse. If your horse competes in a variety of disciplines, consider the "Versatility" category. For additional information and to view the complete PA program rules, please refer to the CBHSNA website (www.clevelandbay.org). Other questions may be addressed to the PA Administrator by emailing info@clevelandbay.org or contact PA Chair, Gabrielle Gordon, 76 Corral Drive North, Keller TX 76244, or by calling 817-905-6519.
