

Cleveland Bay Horse Society of North America
Performance Awards and Best of Breed Rosette Sponsors
2023

Welcome to all our sponsors. This program is inspired by Ms. Cindy Kiser of Riverspring Farm Cleveland Bays who volunteered to sponsor the rosette for the end of the year Purebred High Point Reserve Champion. Sponsors make it possible for winners to receive lovely, high quality rosettes while maintaining the same enrollment fees. The Society also sponsors a Best of Breed (BOB) Rosette program which offers rosettes to high point pure and partbred/sport horses at shows and events around North America fee free. Ms. Sharon Hanna is our new administrator and our second BOB sponsor. Many thanks to these fantastic sponsors. We have many more programs and sponsorships available.
