

Cleveland Bay Horse Society of North America
Obituary Publication Policy
July 2024

The Cleveland Bay Horse Society of North America (CBHSNA) welcome submissions of Cleveland Bay (CB) pure and partbred/sport horse obituaries. We have not had an official policy until now.

Announcing the death of our horses whether we bred, own, or lease them is extremely difficult. Our first published policy and guidelines on this emotional situation might aid those who wish to submit obituaries. The value of an obituary is endless for the beginning of closure, the census, and all who knew your horse whether in person or in social media to learn of its loss. Obituaries may be published in the Society's Bay Watch, Chronicle and social media.

Guidelines

1. Submissions are welcome from all. Current CBHSNA membership is not required.
2. Provide registration name(s) and barn names if applicable. The names of the registration organizations is optional.
3. Provide the state/province/territory of residence.
4. Please list owner(s) and breeder(s).
5. Submission of photo(s) are welcome. Self limit to three photos with photographer release(s).
6. A narrative about the horse and its accomplishments. Please limit to 350 words.
7. Submissions subject to editing for space and/or content.

Submit submission to info@clevelandbay.org or CBHSNA
P.O. Box 391
